JOHN BORELLI, 7, of 1269 South Mayfair, established himself Saturday as a producer-director and a young humanitarian.

John got together a dozen youngsters from the neighborhood, put on a song-and-dance show at his home that lasted nearly three hours.

Receipts hit $5.42, all of which was turned over to the March of Dimes.

DEAN FRANCIS O'CONNOR, 60-year-old problem "child" of the DC cops, was picked up again over the weekend at a Mission street tavern, the same place where he has been apprehended by police at least a dozen times in the past few months.

O'Connor, a genial old chap who likes to render Irish ditties to all who'll listen, just about divides his time equally between the jug and the jug.

They still haven't caught those thieves who've been swiping vegetables from farms near Skyline-Alemany boulevard.

If they were run-of-the-mill hoboes just shy of cash it might be an easier job for the cops, but these culprits are dressed in the finest night-club apparel, right down to double-breasted suits and ties.

If you run across any well-garbed gentlemen with salad sticking out of their pockets, it could be them.

Among recipients of this important, though un-academic award, will be MRS. JOHN BELFORTE, wife of the local recreation worker. She not only helped Put Hubby Through, but is going to present him with an heir this spring.

Dragnet's recent episode, baring the tricks of a few greedy television repairmen, brought out the fact that most communities are protected by TV Ethical groups—an organization of dealers and service-men who pledge their faith to the viewing public.

San Francisco once had such an ethical group, but it folded—honest television men charged that the group was (you guessed it) "unethical."

ATLANTA STREET JOB OK'D

Lagomarsino Orders Contractor To Start

Work on the controversial Atlanta street, only half-paved and recently eroded by heavy rains, will be started immediately, it was learned Monday night in a letter from Ricco Lagomarsino to the city council.

Lagomarsino, owner of the portion of Atlanta street that is unpaved, said he was going ahead with the work because "the people are getting the worst deal."

Contract with Fay Improvement Co. to carry out the work for a price of $1750 was signed this week by Lagomarsino.

Prior to ordering the street work done, Lagomarsino had maintained that he should not be obligated to finish the project until Callan had satisfied terms of an earlier agreement. The agreement, Lagomarsino said, was that Callan should complete Hoffman street between Wyandotte and Atlanta.

Last week, however, the city sent letters to Callan and Lagomarsino ordering the necessary work done. As yet the city has received no answer from Callan, according to City Administrator Dan Andersen.

Lagomarsino said this week that he had recieved a letter from Frank Blum, city attorney, notifying him that Daly City would see to it that necessary street work on Hoffman would be carried out.

Upon receipt of this letter, Lagomarsino authorized Fay Co. to proceed with the street paving.

Local Polio Drive Misses $6000 Goal

The March of Mothers, which ended the March of Dimes polio fund campaign, fell short of the $6000 goal set for the Daly City-Colma area. The local hour-march netted $4182.42, according to Mrs. Sanford Vickers, Daly City-Colma overall chairman.

This figure was below the donations of the last two years. Contributions of $4810 and $5099.20 were made in 1954 and 1953, respectively. Totals of the north county districts are not available as yet.

"Anyone who was overlooked Tuesday night may still send a donation to 155 Abbott avenue in care of Mrs. Vickers.

"I wish to thank, wholeheartedly, the mothers and chairman who gave so generously of their time and energy trying to make this drive successful.

"I also take this opportunity to extend my thanks to those citizens that did contribute to the March of Dimes," Mrs. Vickers concluded.

BROADMOOR GROUP ON INCORPORATION APPNTS CHAIRMAN

[illegible] a two meeting Monday night at [illegible]ma fire house, a group of approximately 30 citizens elected a permanent chairman and discussed facts of incorporation, annexation and the status quo.

The citizens representing Broadmoor, Gardiage and Sterling Park, have their purpose the study of stages and advantages of incorporation, annexation, status quo of the unincorporated areas of Colma. The facts, compiled, will be presented to voters for their [illegible]isal.

Tom Noonan, acting chairman, was elected to the permanent position. He called for volunteers to start investigating committees.

William J. Davis, 611 Manila way, and Mrs. Olga Harris, 1256 Hillside boulevard, were among those proposing the number of committees necessary to gather the facts.

Tom Jenkins recalled that in [illegible] years attempts to form committees had been made. They had failed because no one had the time

Citizens Question Smith As Engineer On Drainage Job

A group of citizens from the southern Daly City area, affected by the proposed $98,000 drainage assessment district, fired questions and criticisms at the city council and city engineer in a study session Monday night.

The group said they were 100 per cent behind a drainage assessment plan, but questioned whether City Engineer Edwin Smith was the man who should design the project.

"We don't mind spending the money but we don't want any more mistakes like Hillside boulevard," said M. Q. Massini.

Councilman Del Wilson answered that he thought Smith was probably one of the best civil engineers in the state.

"It seems to me about 20 different items Smith worked on were no good," Massini retorted. "To top it off, Dan Andersen (city administrator) gets all the blame for his mistakes," he continued.

Could Hire Two

Massini claimed the city ought to be able to hire two full-time engineers for the $30,000 a year Smith earns from the city on a fee basis.

Joseph Schultz asked why the city had not proceeded with its announced proposal of hiring a full-time engineer, to which Mayor Joseph Verducci replied, "In view of recent occurrences we can't reveal our plans, but we're working on it."

Verducci was apparently referring to the fact that the city plans to employ a city manager with engineering experience.

Verducci added that, "I don't think you should crucify Smith when he's not even here and can't defend himself."

Massini then commented on the drainage program again. "Year after year this goes on. Is the council going to do anything?" he asked.

Ask Study Group

Andersen then suggested that the citizens form a study group to investigate the proposed drainage set-up. Asked if he would serve as chairman, Schultz agreed.

Massini then brought up the engineer topic again. "For $30,000 a year that we gave Smith last year couldn't we hire two engineers?" he questioned.

City Attorney Frank Blum then told of the cost of setting up an engineering department, estimating that it would take nearly $70,000 a year to equip the department adequately. "You've got to remember," Blum said, "Smith isn't making $30,000 a year in fees for himself. He's got a big organization behind him." Blum pointed out that Smith had a staff of at least 15 people, all of whom are available to Daly City when needed on special projects.

Cited Two Mistakes

Later in the meeting Bob Young claimed that he could show two mistakes Smith made that were just "throwing money down the drain."

Another member of the group, Tony Massini, said, "I don't doubt that Smith is one of the best but I don't think he gives Daly City the individual care it needs."

The citizens group also questioned the council on what happened to the park which had been scheduled for southern Daly City in the 1949 bond issue of $101,000.

The council said that price of

HEARING ON CITY MANAGER GOVERNMENT SET

Public hearing on the adoption of city manager form of government here has been set for February 14 at 8 p.m. in the city hall.

If public opinion favors the change, the city may adopt the manager form of government by ordinance.

In the event protests are heavy, the council will call an election on the proposal.

Last week City Administrator Dan Andersen submitted his resignation. He will leave the post May 1.

The council is currently interviewing candidates for the city manager job and hopes to obtain a man with engineering background.

DC OFFICERS HOLD TOP SPOTS IN LAW GROUPS

Daly City police department this week placed men in the top positions on two county law enforcement groups.

Chief R. A. Petrocchi was named president of the San Mateo County Law Enforcement association Wednesday in a meeting at the county courthouse in Redwood City. His election marked the first time in history that a Daly City police officer has headed the group. Petrocchi served as vice-president of the association last year.

Elected to the presidency of the Peninsula Peace Officers' association Tuesday in a gathering held at The Colonial was Henry Sundermann Jr., Daly City traffic inspector.

A Daly City officer has not presided over the association since 1939.

Sundermann had previously served in capacity of sgt.-at-arms, second vice president and vice president in the peace officers group.

Both Petrocchi and Sundermann will hold their positions one year.

Veteran Firemen Honor E. Kennedy At Annual Banquet

Daly City Fire Chief Elmer Kennedy, retiring president of the Veteran Firemen's association, will be honored at the 28th annual banquet of the association to be held tomorrow (Saturday) night at The Colonial.

In paying tribute to Kennedy, the association will present him with a ring. Making the presentation will be Theodore Wickersham, banquet chairman and president of the firemen's group for 1955.

Wickersham, a retired member of old Co. No. 3, has lived in Daly City most of his life and served on the local department in the days of the bucket brigades and two-wheel hose carts.

First banquet of the association was given February 5, 1927, and was heralded in the Daly City Record as a highly successful event.

This initial feast was held to pay honor to Fritz Albert Hanson, father of Mel Hanson, who is a captain on the local department.

Saturday's banquet starts at 8 p.m. Fred Mather and Sammy Grado are handling decorations.

FLOWER POT FIGHTER WILL SPEND TWO SUNDAYS BEHIND BARS

Frank Gutierrez was fined $50 placed on 90 days probation and will spend two Sundays in jail as a result of his recent actions toward his estranged wife, Vera, 756 Bellevue street.

Gutierrez will begin his Sunday sentence this week. He was picked up when his wife called police. She claimed that he brought another woman to the above address. When Gutierrez was denied entry, he forced his way in and began beating his wife, using fists and a flower pot.

Grand Jury Indicts DC Waitress On Narcotics Charge

Local charges against Bernice H. Lewis, the waitress allegedly involved in the narcotics ring last week, were dismissed yesterday (Thursday) following her indictment by the federal grand jury. She will be arraigned Monday at 1:30 p.m. in the Redwood City courthouse.

The San Francisco woman, a waitress at a donut shop at 6208 Mission street, told police that her 39-year-old "habit" cost her $40 per day.

Council Takes Up Rec Commission Recommendations

Three recommendations from the recreation commission were taken up by the city council Monday night.

A proposal that the city allocate $3000 a year to finance a municipal band was returned to the commission by councilmen with the suggestion that the request be included in the 1955-56 recreation budget.

Recommendation that no hard liquor be served in the community center met with council approval. Frank Blum, city attorney, explained that under the new state liquor administration no liquor licenses will be issued for community functions.

He also pointed out that Daly City's proposed dance hall ordinance would make it unlawful for a minor to patronize an establishment selling alcoholic beverages. This, he explained, would eliminate the problem of minors drinking at community center functions.

Third commission recommendation, that no recreation facilities be abandoned until replacement has been provided for, was approved by the council.

Earlier the council had proposed that recreation buildings on Bellevue, Parkview and Peoria be sold. Councilmen agreed to keep these buildings in use until new facilities were erected.

STUDENT OFFICERS ASSUME POSITIONS AT JEFFERSON HIGH

Gloria DeMatteis, vice president last term, was installed as president of the Jefferson High school student body at an assembly last week.

Others serving with her on the executive board include: Eileen De Bernardi, vice president; Faye Orovitz, secretary; Kathy Dunn, treasurer; Rich Watso, head sergeant-at-arms; Mike Sibitz, judge; and Cecile Stickney, head yell leader.

Other elective officers taking over their positions included: Bunny Barone, Diane Ramacotti, Karen Savage and Jan Watson, pep girls; Sandra Gonzales, Laurel Smith and Arlene Storm, assistant cheerleaders.

GRANTS DC REPRIEVE ON MUNI BUS SERVICE

A motion to abandon both the No. 76 (Broadmoor) and No. 56 (Cemeteries) bus lines died for lack of a second at Monday's meeting of the San Francisco public utilities commission.

Commissioner Edward Baron, ardent and long-time foe of San Francisco's bus operations in San Mateo county, moved to eleminate both services, as suggested a week earlier by J. H. Turner, manager of utilities, and Charles D. Miller, manager of the municipal railway.

Reaction to Baron's proposal was complete silence. After the motion was killed for lack of second Daly City representatives arose to request a two-week delay on any action affecting the two local lines.

2 Weeks Grace

The commissioners agreed to give Daly City two weeks' grace in which to work out a possible solution to the muni railway's operating problems here.

City Administrator Dan Andersen, present at the PUC meeting along with Mayor Joseph Verducci and Councilman Del Wilson, said he would meet with Turner and Miller tomorrow (Thursday) at 2 p.m. to work out some method of retaining bus service here without costing San Francisco money.

According to Miller, the No. 56 has been losing $2000 a month under the trial system set up six months ago to eliminate an annual operating deficit of $30,000. Under the proposal set up half a year ago, no transfers were given on the No. 56, with persons travelling from San Francisco to the Cemeteries paying two 15-cent fares.

No. 76 Loses $6000

The No. 76, Miller claimed, will lose about $6000 a year on the revised program set up six months ago on Daly City's recommendation. In order to cut losses of $31,000 annually, Daly City's suggestion of eliminating one coach was put into operation. In addition, route of the No. 76 was altered considerably in an effort to attract more passenger traffic.

The No. 76 line now connects Broadmoor, Westlake and upper Mission street in Daly City, with no transfer privileges to downtown San Francisco.

Andersen said Monday, "I think if they go back to the transfer system on the No. 56 traffic will pick up again." The administrator explained use of the No. 56 had dropped off considerably when transfers were eliminated.

"As far as the No. 76 is concerned," Andersen said, "I believe when homes under construction in the Westlake area are completed the line should be able to show a profit with minor schedule changes."

Councilman Sanford Vickers suggested possibility of raising school children's fare to 15 cents for two trips in order to eliminate losses.

Mayor Verducci advised that the entire council be on hand at tomorrow's meeting.

URGES SUPPORT OF FREEDOM WEEK

Support of Freedom Week and the Crusade for Freedom balloon launching ceremony here by Colma-Vista Grande Aerie, Fraternal Order of Eagles was urged by Mayor Joseph J. Verducci today.

The Mayor invited all citizens to participate in the balloon program, which will take place at 12 noon, Saturday, February 12, Lincoln's birthday. A total of 20 plastic, helium-inflated balloons, of the same type which are sent over the Iron Curtain to the peoples of Communist-dominated countries, will be released here.

The balloons will contain messages urging support of Radio Free Europe, the project of the Crusade for Freedom carrying daily broadcasts to maintain the morale of the subjugated populations. The balloons will be launched at Marchbank Park. The president of the Fraternal Order of Eagles, Frank Davison, invites all local organizations and citizens to participate with the Eagles in the balloon launching.

"These balloons demonstrate that by peaceful means we can aid the cause of Democracy," he said. "Those sent over the Iron Curtain are credited with giving a powerful lift to the peoples forced to accept Communist rule against their wills. Anything that we do here to strengthen Radio Free Europe will be reflected in the

City Sets Meet With School On Recreation Topic

A joint meeting with the Jefferson Elementary School district to discuss use of school property for recreation purposes was set for next Wednesday by the city council Monday night.

According to City Attorney Frank Blum, school district attorney Lyal Edson said school land may be used for city recreation.

Blum revealed that Edson said the district could also expend funds for site development.

The city seeks to have the school district impose a five cents per $100 valuation tax for recreation, legal under the school community service act. This money would go to develop parklands

CANADIAN INDICTED FOR ILLEGAL ENTRY

Berna Damico Kelly, alias Berna O'Hara, was indicted by the federal grand jury Wednesday for illegal entry. The 32-year-old Canadian will be held for trial by the federal courts.

She was picked up by immigration authorities at 113 Los Banos avenue last week. The accused was deported in 1953 when she became involved with Mabel Malotte, S. F. callhouse madam.

TWO WOMEN IN APPARENT SUICIDE TRIES

In less than a week two women attempted suicide while watching television. The first tried to take her life by slashing her wrists with a razor blade. The other woman took an unknown amount of sleeping pills.

Slashes Wrists

A 30-year-old housewife attempted suicide last Friday after her husband had been arrested by Daly City police for allegedly passing bad checks. Mrs. Rachel Van Carpen, of Missouri, slashed both wrists with a razor blade Friday morning while in her cabin at the Mission Bell motel, 6848 Mission street.

According to the manager, Lee Rambo, Mrs. Van Carpen walked into his office at 4:20 a.m. in a dazed condition and asked if he could bandage the cuts on her wrists. Rambo called police who transported her to Junipero Serra hospital.

A check of the cabin disclosed blood on the bed and bathroom floor. A note, found in the middle of the bed, said "Baby, I'm

Wendell Charles Van Carpen, alias G. D. Howdl, alias G. K. Marsh, was picked up by Daly City police on a request by the San Francisco fraud squad. Van Carpen is wanted on a check warrant, according to Inspector Ed Van De Vort, SFPD.

Takes Sleeping Pills

Early Wednesday morning Lee Roy Banett returned home, 160 School street, to find his common-law wife Bernice Violet Cox had taken an unknown number of sleeping pills in an attempt to end her life.

The 28-year-old tavern waitress had been watching TV at 7 p.m. when Banett had called from work. When he arrived at 145 a.m. she appeared to be unconscious. He took her to Junipero Serra hospital for emergency treatment.

The common-law spouse and fiance told police the only reason he could think of for the attempted suicide was that she had been despondent over financial matters. The penciled suicide note stated that "God knows."

construction had gone up at that time and the city was only able to complete two of the three projects called for.

Verducci brought out the fact that the southern Daly City area may still get a park if the joint-agreement with the Jefferson Elementary school district on use of school facilities for recreation is carried out.

The citizens group, apparently un-organized at this time, said they would be back at future meetings to take up matters with the council.

A car bumper caught on a bike, causing a minor accident at the Mission-Crocker street intersection Tuesday afternoon. Herbert E. Rochester, 6925 Mission, was motoring east on Mission when he struck the bike on which a 14-year-old boy was riding. The boy was not injured.

Hiroshi Yamamoto, Berkeley, was cited Tuesday when the car he was driving south on Skyline boulevard hit a vehicle belonging to Louis J. Peirano, 48 Westdale, as he was turning left into Coast road.

Mrs. Joseph E. Issacs, 10 Parker street, was shaken up Sunday afternoon when the car driven by her husband was sideswiped by that of a 19-year-old San Francisco boy. The youth was cited for violating right of way.

No citation was issued to either driver in a rainy night collision at the Junipero Serra-Alemany intersection. The card owned by Richard W. Webber, 1054 Hillside boulevard, Colma, skidded into a vehicle driven by Daniel J. Chedbourne of South San Francisco.

Dorothy Littleton of San Francisco was tagged last weekend when her car collided with one belonging to a South City man.

CAR OFF HIGHWAY; MAN OFF TO JAIL

Vernon L. Holden of San Francisco was on his way home from a party in Westview Village last Saturday. He thought it would be a good idea to get his car off the highway.

Police picked him up on Alemany and Park Plaza attempting to push the car off the highway. A $50 bail was set on the drunk charge.

Numerous Bike Thefts Bring License Proposal

A third bike was reported stolen this week to Daly City police. Jack H. Waloranta, 345 1st avenue, told police that his son's blue racer was taken at the Fleishacker Zoo Saturday.

Another bike owned by Durbar Averell, 147 Fieldcrest, was found abandoned at 40 Lynnewood drive a few days after it was stolen.

Sparked by the wave of bike theffs recently, the city council proposed the yearly licensing of bicycles Monday night. The serial number of the bike would be recorded upon issuance of the license, thus affording investigating officers more information on stolen bikes.

Broadmoor police are now conducting a Saturday bicycle school for the promotion of traffic safety and instructing youngsters in rules and regulations.

NATIONAL GUARD OFFERS SERVICES FOR CIVIL DEFENSE

Lt. Jack Creighton, commander of the Daly City National Guard, appeared before the city council Monday night to offer the Guard's services toward aiding civilian defense here.

Creighton said the Guard could supply equipment for displays and drills.

The commander also suggested that a civilian defense "show" be held sometime in March in the community center as a stimulant to interest in defense readiness.

Councilmen lauded the Guard's offer and said such a program might result in the securing of a civilian defense head here. Creighton is scheduled to meet Monday with City Administrator Dan Andersen to discuss the proposal.

Methods Financing Drainage Project Set For City Study

Methods of financing the proposed $98,000 drainage project for southern Daly City will be taken up by the city council in study session next Monday night.

The council will consider a report on ways of financing prepared by Kirkbride and Wilson, bond and public proceedings experts.

City Attorney Frank Blum said that basically there were only two methods of financing the storm drain job—by a levy on the general tax rate or by an assessment district.

If the project were financed through the general tax rate it would mean an increase of about 20 cents per $100 valuation.

PETTY PILFERER PURLOINS PANTIES

The lingerie thief is back in business. Last week he snatched a slip and panties; his loot this week was four pairs of white nylon panties.

After taking the panties belonging to Beverly J. Wright, 20 Lynnewood drive, apt. 22, the courteous burglar replaced the clothes pins. Again other more valuable items were left on the clothes line.

He was arrested last weekend when neighbors complained of a nude man at the window of the above address. Investigating officers found Furbee still nude when they arrived. He was released on $100 bail and ordered to appear before Bocci this morning.

His landlady told police, "I spoke to him about that quite awhile ago. He said anyone who looks in my window should be sued for peeping tom."

According to Mrs. Marsh, she turned her head to call her son. When she turned back to the table on which she had placed the wallet and keys, they were missing.

The red leather wallet also contained an automobile pink slip and identification papers. The key case had car and house keys in it.

THE BOARD'S MAMBY-PAMBY POLITICS

Tuesday's action by the San Mateo county board of supervisors in voting, 4 to 1 (Thomas Callan Sr. opposing), to send Governor Goodwin Knight a formal legal opinion on what his duties are in respect to filling the vacant 25th district Assembly post constitutes an insult to the state's leader and the worst kind of dereliction with respect to the public mandate issued.

The North County Council of Cities, mayors and councilmen in every city, the Republican and Democratic parties, the League of Women Voters and every civic group with any gumption has urged the board of supervisors to call a special election to fill the job vacated by Daniel J. Creedon.

Even the four board members who voted to send the assinine grade school instructions to the Governor have admitted, in a left-handed manner, that they would like to see the Assembly position filled.

What their action amounted to Tuesday is buck passing of the highest order. The board has jurisdiction to recommend a special election. This will cost about $40,000 and the supervisors figure to ask expenditure of that much is to lose a few votes. Gov. Knight, a man with more legal background than the whole board of supervisors put together, knows what his duties are. If the board defaults, he is obligated to make a recommendation on the special election.

The county board doesn't have to send the governor a letter with arrows pointing to the right page in the law books. But to avoid making an honest decision they have run to the Governor's coattails for salvation.

The Governor may decide to recommend a special election, but he doesn't have to say when. While the supervisors are playing mamby-pamby to get off the political hook, the law-making session of the legislature will be over with and 25th districts' citizens will have been taxed without representation.

DUTIES TO THE CITY MANAGER

Last week we discussed the duties of a city manager as outlined in a sample ordinance.

Conversely, the officials in the government have duties with respect to the city manager. It is a combination of the responsibilities of the manager and the duties of others towards him that lends efficiency and authority to the manager form of government.

Under the first duty listed in the sample ordinance, the city council is ordered to deal with the administrative services of the city only through the manager, except for purpose of inquiry, and neither the city council nor any member thereof shall give orders to any subordinates of the city manager. (Under the present "strong council" type government, individual councilmen can wield much influence over administrative department heads and their workers.)

The ordinance further lists that subordinate officers, including the city clerk, city treasurer and city attorney, shall cooperate with and assist the city manager in administering the affairs of the city most efficiently, economically and harmoniously so far as may be consistent with their duties as prescribed by law and ordinances of the city.

Upon appointment of the city manager the terms of subordinate officers over whom he has power of appointment and removal cease, unless they are reappointed by him. (Thus, a new manager would not be bound by any previous political appointments, if such were the case, and would be able to surround himself with personnel that he believes best for the city.)

Next week we will discuss the tenure clause of the city manager ordinance, an important component of this type government and one which provides a manager with maximum security in his position.

SIGN UP FOR COURTESY.

Now's the time to sign up and be counted.

During the month of February the City of Daly City is taking signatures to a courteous pledge, The Code of the Road, and by the end of the month they hope to have the signature of every registered driver in Daly City.

In signing the pledge, a driver promises to live up to seven basic rules of driver courtesy. After he has signed, he receives a courtesy bumper sticker, which he is asked to display on the rear bumper of his car.

Courteous driving programs are not new, but the idea of measuring the success of such programs is. It was started in Midland, Michigan, last October when the National Safety Council and the Inter Highway Safety Committee cooperated with the Midland Safety Commission and the American Association of University Women in conducting a pilot Operation Safety program along these lines. In the month long effort, 10,000 drivers —virtually 100 percent of the Midland Area's registered drivers—signed up. During February numerous communities through out the nation are conducting similar Operation Safety programs using Midland's record as their goal.

Obviously, it's important that Daly City reach it's goal of 100 percent of our registered drivers.

But let us not forget that it's not the signatures, themselves, that are important. It's the thinking behind the signing that counts. Each signature represents a driver who is convinced that courtesy on the road is a must and who believes it so strongly that he pledges himself to live up to the rules of courtesy at all times.

What we're striving for is to get 100 per cent of our drivers thinking this way. That would follow naturally if every driver realized two important facts.

The first is that the line between discourtesy and traffic law violation is a thin one, and it is often difficult to tell when it is crossed. The second is that there is a very definite relationship between traffic law violations and traffic accidents. Just how definite this can be shown statistically. In 1952 62 per cent of drivers in fatal accidents were violating a traffic law at the time of the accident.

Realizing that his own safety and the safety of all he meets in traffic depends to a great extent on his courteous conduct, no driver should have any difficulty in living up to the seven points of the Code of the Road.

Drivers may sign the Code of the Road at the Police Department, City Hall, Daly City.

It is to be hoped that no driver will be so lacking in concern for his own safety or the community reputation that he will neglect to sign the Code of the Road.

CAR BOOST

Another car boost was reported to local police Monday. Two full hub caps were taken from a Ford model car, owned by Willard E. Crubb, 468 San Diego Avenue, while it was parked on Bruno street near Jefferson Union high school.

My Mad World

By Leonore Brewer

Next Monday the Ballet Russe de Monte Carlo returns to the Opera House for six performances of fourteen ballets. These will include such popular favorites as "Gaite Parisienne," "The Nutcracker" and "Scheherazade" as well as two new productions, "The Mikado" and "Harold in Italy."

In the stellar role will be Maria Tallchief, making her third local appearance in less than a year, each time as prima ballerina. Nothing more clearly indicates the position ballet occupies in American culture than the fact that Miss Tallchief, American-born and trained, is prima ballerina of a company whose prima was once Alexandra Danilova, trained in the Imperial Ballet school in St. Petersburg.

Miss Tallchiefs' first ballet company appearances were with the Ballet Russe a number of years ago. Old programs are interesting, as through them you follow the long, hard road that any dancer must travel before reaching prima status. One of her first parts was that of the Can-Can dancer in "Gaite Parisienne." This year in her triumphal return to her alma mater, she dances the ballerina role of the Glove-Seller.

There have also been brief roles in two films, the most recent a portrays of Pavlova in "Million Dollar Mermaid." We can remember two pictures in which Pavlova has been portrayed by contemporary ballerinas. This brings to mind that of all the great ballerinas of the past thirty years, none has captured the popular imagination like Pavlova. We'd be willing to risk a bet of two Ballet Russe tickets that Pavlova will strike a responsive chord in the hearts of many who could not have named the present day dancers who portrayed her.

Like Danilova, Pavlova was a product of the Imperial school and she left Russia. That was 1913, from then until her death, it has been estimated that she traveled some 500,000 miles throughout the world on her tireless efforts to bring the art she loved to as many people. She died at The Hague on January 22, 1931.

You may say that this is all mildly interesting, but what has it to do with the appearance of the Ballet Russe next week? Well, if one tries hard enough one can find a extremely tenuous tie-in between her and the company as it is today. But one has really to try, or can one claim that she went into the development of the ballet that was taking place during her time, as she was very reactive in her choice of choreography, music and decor. Her contribution to the advancement of ballet in America was the audience. Permit us to quote:

"A program in America was to visit one town each day for seven months and cover twenty-six thousand miles on my travels. This I did without missing a performance."

Before Pavlova, ballet belonged to a chosen few; she gave it to all of us. I do not remember her but it is quite possible that the person who took me to my first performance (the Ballet Russe) did. And he we are, encouraging you to attend the same Ballet Russe. And Pavlova lives on.

Younger Appointed To Operations Committee

Congressman Arthur Younger, San Mateo county, was honored recently in the nation's capitol by his appointment to the committee on government operations, considered by legislators as one of the most coveted posts in federal affairs.

In his committee work Congressman Younger will have jurisdiction over budget and accounting measures as well as reorganization of procedures in the executive branch of the government.

The committee receives and studies reports of the Comptroller General of the United States and submits recommendations to the House of Representatives.

He will be in a position to evaluate the effects of laws enacted to reorganize the legislative and executive branches of the government.

In addition the committee will study the inter-governmental relationships between the federal government and the states and municipalities and between the government and International organizations of which the United States is a member, such as the United Nations.

LION TALES

By Joseph Belli Jr.

After an illness of three months your writer has once again taken over the duties as president of the Daly City-Colma Lions club and in the future will endeavor to write this column each week.

One of the most recent projects completed by this club was the car raffle which was held the past week. The winner was a resident of Westlake. This raffle was sponsored by the five Lions clubs of Northern San Mateo county namely the Daly City-Colma, North Coastside, South San Francisco, San Bruno, and the Millbrae Lions clubs. This project was brought about mainly to raise money for the Girl Scout camp in Sonora. With all expenses paid the five Lions clubs turned over to the Girl Scout camp a total of $12,000. The regular board meeting will be held on Monday evening, February 7, and many things will be discussed. Several are: An essay contest for the children of the elementary schools, the approval of several applicants for membership into the Lions club, plans for a Ladies day and a Ladies night, beginning the plans for recognition at the Hobergs convention which will be held in May, 1955, and many more topics.

We Are Here To Serve

Lionism came into being to fulfill a definite purpose, to become in reality a community service organization with emphasis always on its outstanding characteristic—service. In accomplishing its purpose, it does something also of incomparable value to those who carry on its program of activities. This community presents unlimited opportunities for the promotion of a many-sided program. It is possible to scatter our energies in lines of action of little value unless we hold strictly to the main objectives. Our value as a club will be always in direct proportion to the degree of service which we are able to render in any undertaking.

During the month of November, 1954, 88 new Lions clubs were organized, which is two more than for the same month a year ago. During the first five months of the present fiscal year, 333 new Lions clubs have been formed, bringing the total as of November 30, 1954, to 11,289 clubs, located in 63 countries. Membership as of November 30 totaled 501,525.

SEEK LONG-RANGE PLAN TO REMOVE USED CAR OUTLETS

Councilman Micheal De Bernardi Monday night urged a master zoning plan be established with a view toward eliminating the "strip" of used car lots on Mission street.

De Bernardi suggested that the recent ordinance governing used car lots be rescinded so the city could stop new lots from coming in.

City Attorney Frank Blum said the city could rescind the ordinance and go back to issuing use permits for such establishments. Thus used car lots could be eliminated over a period of time since they would constitute a "nonconforming use," Blum said.

Mayor Joseph Verducci recommended that the proposal of a master plan be turned over to the city planners for study.

City Water Meters Will Go Out For Bid

Daly City's next order for water meters will go to the company submitting the lowest bid, councilmen decided Monday night.

The council decided to put supplying of meters out to bid after consulting with two competitive firms whose products were almost identical.

"Once we award bid to one of the companies, we should stick with that company," Councilman Micheal De Bernardi said. He explained that replacement of parts is simplified by dealing with one company.

Capacity Crowd Is Expected Friday Recognition Rally

A capacity crowd is expected Friday night at 8 p.m. in the San Mateo High school auditorium to attend the annual Recognition Rally which will feature a colorful program of tremendous interest to all Scouters and those concerned with the welfare and development of boys in this county.

John M. Schiff
. . . Guest Speaker

Officers elected at the January 21 meeting will be introduced and then installed by Regional Scout Executive Don Moyer of the Los Angeles regional office, who is coming north especially for this meeting. The work and accomplishments of the past year will be given by Scout Executive Rebel L. Robertson and the chairmen of the operating committees; their reports will be accompanied by colorful tableaus portraying outstanding events of the year. Silver Beaver awards, the highest honor that can be given on a local level to those who have worked unceasingly and with great results for boyhood will be presented by "Uncle Bill" Platt, Chief Scout of the San Mateo Area Council, known and loved throughout the area. Recipients of these awards will not be disclosed until the moment of presentation.

Highlight of the evening will be a talk by John M. Schiff, National Council President of the Boy Scouts of America and honored guest of this Council for the first time. Schiff is associated with the New York Banking firm of Kuhn, Loeb & Company and is a graduate of Yale University and Oxford University in England where he earned the degrees of Bachelor of arts and master of arts. His long and distinguished career with Scouting began in 1930 when he became a member of the Nasau County Council in Mineola, Long Island, New York. He has consistently and faithfully devoted more and more time to the Scouting movement and in 1951 was made president of the National Council of the Boy Scouts of America. In 1943 he was awarded the Silver Buffalo for "distinguished service to boyhood," an award comparable on a national scale to the Silver Beaver given locally and the Silver Antelope given regionally. His father before him was also devoted to the cause of Scouting and was International Commissioner of the Boy Scouts of America at the time of his death in 1931. His grandmother, Mrs. Jacob H. Schiff made a gift in 1932 of the Mortimer L. Schiff Scout Reservation at Mendham, New Jersey, the national training center of the Boy Scouts of America. Mr. Schiff is married and has two sons.

All Scouters and their wives and families, as well as anyone interested in the Scouting movement are cordially invited to this outstanding program. Admission is by ticket, and these may be obtained without charge from the Council Office at 205 Park road, or by calling DI. 3-3666 and having such tickets mailed to them.

Village Notes

By Gwin Mitchell

Fun and fortitude department: Fun for the 45 members of the Intermediate Sunday School class at the Broadmoor Presbyterian church who went roller skating last Friday evening at Skateland, and fun for Kay Mullen, Peggy Redford, Wayne Britton, Paul Elliott and Ray Logan who wen along as commanders-in-chief. The fortitude part came when it was time to get the right 45 sorted out of the crowd and put in the right cars for the trip home. Whew!

Sorry to hear that the Wesley Foster family on Washington has been battling with the virus pneumonia bug for a while . . . . . hope everyone feels better by the time this sees the light of news print.

That red flash you see traveling around the villages is not the fire chief—just the, Bob Hanrahans' new red Chevrolet ! ! !

Diane and Eddie da Roza are pretty proud young ones these days, ever since Old Friend Stork brought baby brother Randall Charles on January 11. Starting out at 7 lbs. 7 oz., he"ll soon be able to hold his own with them at playtimes . . . .

The Ray Logans welcomed the Douglas Vaughans back to 90th street for a Sunday visit. The Vaughans, now in Mountain View, used to be Broadmoorites, and haven't been back to see how the old home grounds are doing for quite a while. The four smaller Vaughans came too, and by next visiting time, there will be a fifth one to bring along.

Trip of the week—the Leon Johnsons are back home on Washington after a trip back home to Missouri to see both families. The weather was cold back there! They drove both ways—the southern route—and say that all went well during traveling time, thank goodness!

One of our new young wives, Pat Mantor, has started community work by helping in the Presbyterian Nursery Sunday school . . She and Paul live on 87th street, and Pat keeps house while Paul attends his classes at San Francisco State.

January 22 was The Day for birthday parties! We heard about four of them—herewith:

Mary Jean Glischinski and her four younger brothers and sisters celebrated her sixth birthday with a fine party, with Dick Esposto, Linda and Susan Swanson, Sally Ann Carlson, Ricky Centanni and Sharon Morgan invited over to join in the fun on Maddux . . . .

Near at hand, Johnny Skillman had a sixth birthday too, and Stewart street resounded with war cries as host and guests alike followed the party theme by playing Indian with headdresses and tom-toms. Big Chiefs present were Bryce Stockslager, Steve Parker, Richard Orloff, Jimmy Northrup, Richard Baird, John Sirianni, Bobby Lacey and Jimmy Helmer.

Third party was on the feminine side again—Peggy Danforth had a luncheon party to mark her ninth birthday as a special day. Anita Duste, Christine Mitchell, Susan Subke, Candy Dalzelle, Janet LePine, Barbara Arendt and Sharon Horberg came ringing the Danforth's doorbell on Washington street as invited guests . . . .

87th street had its celebration, too, when Jerry Hess found that being two years old is very fine indeed, especially when his cousin, Michael Van Hecke, could celebrate a third birthday at the same time. The double fiesta at Jerry's home included party fun for John Hess, Jeffrey Meitz, Carol Van Heicke, Rita and Jean Pepi, Jimmy Hess, Jimmy and Tommy Orslo, Donny Hess, Linda Hess, Bobby Bartuk, Karen Hess, Janet Brugge and Stephen Andrade.

Glad to hear that Steve Mischak, on Sweetwood, is now up, about and back at work after two weeks in the hospital and a week around the house.

Late stork reported: Colleen Lenore made her debut in the Mackie Carroll family on January 17, 6 lbs. and 13 oz. of loveable baby. The census of 87th street is now increased by one more!

Broadmoor must have been kind of empty these last couple of weekends—so many people took off for faraway places (in California, that is!) The Henry Hill family left Sweetwood for a weekend in Reno, and the Ralph Gerners traded Gilman for a few days in snow country. Nimitz drive lost two families when the Mel Hahns, with Melvin and Kenny, went Ukiah-wards, and Hazel Eagleton took Pam and Billy to Redding.

John Jewett of Van Nuys house-guested at the Gordon Feist home on Sweetwood; wonder how the weather down there compared with what we're having?

Long distance special: The Robert Pritchard family, who once lived in Broadmoor, and are now in Virginia, welcomed their fifth child (second boy) on January 3, and Bob's mother, Mrs. Llewellyn Pritchard, has gone back there to help out with the young'uns.

An orchid, a show and dinner and the best wishes of many of the Broadmoor nursery age children made a happy birthday for Mrs. John A. Glasse last week, to say nothing of added birthday greetings from her many friends. We're a little late, but Happy Birthday from us, too!

Casts on the foot must be getting to be a habit around here . . . first Vi Murphy, and now Pearl South, who tripped on her front steps and broke a bone in her foot. Treatment at Permanente Hospital in South San Francisco indicated a cast after the swelling had gone down. What is the matter with all the front steps in our town?

The 87th street Sewing Circle put down needles and thimbles and thread for a while, in order to have lunch at Mary Hess' home. Jean Brugge, Zoe Andrade, Irene Hess, Stella Magoon and Donny Golladay had a fine time over the coffee cups.

It may not be raining rain at the time we write this, but it is certainly showering baby gifts. The latest showers on the weather report were given for Helen Richardson and Gert Green. Helen's shower was hostessed by Cleo Chesky, Betty Christman, Ann Zweig and Alyce Bird, with Kay Logan, Harriet Buhman, Lee Johnson, Joanne Cross, Virginia Bell, Dorothy Goodwin, Berdine Heick, Jean Wiitala, Dorothy McElory, Rilla Peterson, Katie Flanagan, Peggy Merchant, Bette Kass, Helen Holman, and Willie Johns, invited to Ann Zweig's home on White street.

The shower for Gert was given by Verna Duste at her Washington street home, and guests who came early to surprise Gert when she arrived were Mary Hess, Kay Logan, Marion Hilton, Gwin Mitchell, Billie Buchanan, Dot Hazen, Marianne Freiberg, Babs Fitzgerald, Vi Murphy and Ginny Tierney.

Baby Shower Fetes Mrs. Harry Aubright

Lieutenant and Mrs. Harry P. Aubright, of Tacoma, Washington, visited with Mrs. Aubright's parents, the Joseph Garibaldi's, 7395 Mission street, recently. During the visit Mrs. Aubright was surprised with a baby shower given by Mrs. John Asdrubale, 18 W. Market street.

Decorations were done in pastel yellow and green. The yellow net tablecloth was trimmed with spiral baby ribbon trees on which were hung miniature baby dolls. The background was a sequined green taffeta.

A yellow net centerpiece was decorated with tiny dolls and orchids. A variation of yellow cypripedium, cymibidium, odontoglossum and oncidium flexuosum orchids carried out the motif. Mrs. Aubright was presented with a green orchid corsage.

At the buffet supper which followed, guests wore baby bibs. Napkins were folded into baby jackets in yellow and green.

Those in attendance were the Missess Carol Gay Garibaldi, Lois Bozant, Irene Allyn, Irene O'Neil, Sally Dares, Antonietta Scafani, Mina Selve, Ann De Martini, Octavine Kenney, Pauline Harper and Loretta Bollentini.

Other guests included the Mesdames Frank Cano, Joseph Garibaldi, John Inwinkelried, Ernest Ottoboni, Hugo Romani, Frank Garibaldi, Louisa Garibaldi, George Volkman, Robert Volkman, Frank Garcia.

Marianna Agresti, Dino Agresti, Dina Rossi, Silvo Armanino, John Rosberg, Herman Oldelehr, Alex Bozant, Michael Raggio, Richard Torchia.

Dean Lagomarsino, Andrew Uccelli, Hazel Colwall, Lorenzo Benedetto, Francis Scafani, Laurino Martinelli, Tom Mahoney, George White, Fred Green, Paul Meyer, John Torre, Louis Torre, James Hunsucker, Michael Klack, Mario Cafferata, Lawrence Allyn, Jack Bonzant.

The Mesdames Joseph Barca, Tom O'Neil, Mary Collins, Joseph Marraccini, Carol Jacobson, Frank Alviso, Joseph Artigues, Ernesto Calle, John Asdrubale, Harriet Asdrubale, Judy Asdrubale and Gordon McKeon.

We have been learning to play net ball and have played a few games with room 6. We won one game and lost the rest. After a little more practice we will try again.

Fourth Grade

Today the fourth grade class at Crocker visited Chinatown in San Francisco. It was particularly interesting at this time of year because of the celebration of Chinese New Year.

BOY SCOUT NEWS

NEW TROOP FORMED

With the appointment of Scoutmaster James L. Hatchel, 256 Palmetto street, registration was completed Monday night of Daly City's 12th active Boy Scout unit, according to Robert E. Hunter, organization and extension committee chairman for the Daly City-Colma area of the San Francisco Boy Scout council.

The new troop, 245, is being sponsored by the Vista Grande Avenue Christian church, and will meet on Monday evenings from 7:15 to 8:45 at the church's Fireside hall.

Besides Hatchel, men registered with the new troop include: institutional representative, Oliver F. de Graaf, 633 Randolph street; chairman Elwood Westrom, 369 Vista Grande avenue; committeemen Jerry A. Sifford, 24 Miriam street; Arthur E. Hedvall, 28 Miriam street; Arthur Glover, 48 Miriam street; and Rev. Howard P. McConnell, 101 Vista Grande avenue. Larry Keefe, 361 Knowles avenue, is the new assistant scoutmaster.

Boys who are becoming charter members of the new troop are: Jerry Sifford, Arthur L. Glover, Arthur Hedvall, Mike Wills, James Keefe, Matt Jones, John C. Westrom and George Keefe. All of the new scouts are students at Colma school.

The new troop members have been invited to participate in worship services at the Vista Grande Christian church next Sunday, as part of Daly City's observance of National Boy Scout Week. Scouts will assist with the ushering and will present the American flag as their part in the program, Rev. McConnell said.

The troop has qualified as a 100 per cent Boys' Life troop, with all of the boys scheduled to receive the official magazine for Boy Scouts as part of their membership.

Number 245 is the third new troop to be organized as the result of a recent survey of boys at the Colma school, with several more in the planning stage, Hunter said. Seven of the existing scout units are Boy Scout troops and five are Cub packs. Organizations interested in assisting with the sponsorship of additional new units for Daly City and Colma boys may contact Hunter at PLaza 5-5677 for further information.

Exhibits of survival equipment, jet pilots' flight gear, parachute packing, and similar aviation displays are being prepared for the occasion, according to captain Watson.

"Pyramids To Palomar" Planetarium Subject

"Once upon a time," says George W. Bunton of Morrison Planetarium, "the universe was very, very small." At that time, as he explains it, nearly everyone knew the world was no more than a long, fertile valley watered by the Nile. And as for the roof of the world, it was just a sky canopy supported by the gods.

According to Burton, this month Morrison Planetarium will take you back to the days of this cozy and simple universe during performances of "From Pyramids to Palomar."

But other concepts of the heavens will be explored too. Today, Bunton points out, an astronomer viewing some distant galaxy through Palomar's giant eye knows his hugo telescope doesn't even begin to reach to the "edge" of space. One might as well try to catch Jupiter in the beam of a household flashlight.

Between these extremes of the very small and the very large there have been many mental pictures of the universe, some of them more or less correct and others ridiculously wrong. The story of man's developing ideas about his world in space is one of the most dramatic in mankind's whole search for knowledge.

In each performance of the new show, Bunton promises to stop in his time journey to look at the work of ancient China, where eclipses were predicted accurately 2000 years before the Birth of Christ. Later in Greece you will share the thoughts of scholars who had a remarkably modern view of the nature of the earth, its distance from the sun and moon, and even its diameter. In A.D. 1000 you will visit with Arabians who experimented with optics and lenses, coming within a hair's breadth of inventing the telescope.

Then during the renaissance astronomy, like art, bursts forth. Within two short centuries, beginning in the middle 1500's you will find the modern concept of the motions of the planets and the distances of the stars.

Today, larger telescopes and advanced techniques are still pushing back the horizons that encompass man, rolling them back until we have begun to toy with the idea of an infinite universe.

Planetarium shows are given daily (except Monday and Tuesday) at 3:30 and 8:15 p.m., with an extra show at 2 p.m. on Saturdays and Sundays. The Planetarium will be open on Washington's Birthday, February 22.

CHURCH HAS SCOUT YOUTH THEME SUNDAY

It is Boy Scout and Youth Sunday at the 101 Vista Grande avenue Christian church. Howard P. McConnell, minister, will speak on the theme, "A man called John." Youth will participate in the worship service.

The Thursday evening dinner programs are increasing in interest and attendance. The attendance last week was 71. Friends of the church, and new people especially are most cordially invited to attend the non-profit dinner program. The program includes singing, a short Bible study, and a time for fellowship.

The men of the church are hosts to the Christian Men's Fellowship at the whole bay area this Friday evening. An attendance of 150 is expected. Charles Baldinger is president of the local group.

The church conducts a well-equipped nursery for all its Sunday and weekly functions.

Marine Telegrapher

Marine Private William J. Core, son of Mr. and Mrs. William Core of 43 Wilson street, and husband of the former Dolores N. Zanobini of 256 Second avenue, graduated January 14th from the Radio Telegraph Operator's course at the Marine Corps recruit depot in San Diego after 18 weeks of study. The course covered the receiving and sending of international code and typing.

Two Local PTAs Plan Founders Day Programs

Local PTAs are busy appointing committee members and formulating plans for the respective Founders' Day celebrations. The following is a report of Founders' and other recent activities to date.

Bayshore PTA

Plans for the Founders Day program at the Bayshore school have just been completed according to Mrs. Vernon Costa, chairman. A variety program featuring the pupils of Bayshore and Midway Village schools will be the highlight of the monthly meeting Monday at 8 p.m.

Mrs. John Pleskac, treasurer, and rag drive chairman, reported the results of the fund-raising drive at the executive board meeting last week. The following grades received awards for the most rags collected: First grade, Miss Jean Murphy; Second grade, Mrs. Nancy Franzen; Fourth grade, Mrs. Vida Dunham; and the 8th grade, Mrs. Eilene Murphy. Get-well cards are on their way to Mrs. Beatrice Bethune, third grade teacher, who recently suffered a broken arm.

Mrs. A. E. Smith volunteered to succeed Mrs. Ruth Ackley as corresponding secretary. Mrs. Ackley resigned because of ill health.

Crocker PTA

The Crocker Founders' Day program is scheduled to be held in the school library Tuesday, February 15 at 8 p.m. Tea life membership awards will be presented at that time. Past presidents and life members will be honored at this meeting. Mrs. Ben Jensen, 17th district chairman, has named as the guest speaker.

Chesterfield Buts

An estimated $40 damage was done in a chesterfield fire at 584 Hanover street Wednesday evening.

Helen Tobelman reported to firemen that a cigaret had dropped down the back of a chesterfield and ignited the upholstery.

Later Wednesday evening firemen responded to a dust fire in back of the Westlake shopping center, opposite 140 Pinewood drive. There was no damage.

GRANDAUGHTER BORN TO THE BLOOM FAMILY

Mr. and Mrs. C. C. Bloom, 1240 Brunswick street, are the proud grandparents of Jill Ann Bloom born in Merritt hospital January 19.

Jill is the first granddaughter of the Bloom family. Her parents are the Robert Blooms of 2714 Sunset avenue, Oakland. Jill weighed in at seven pounds, eight and a half ounces. Dad is a former Daly City boy, an all graduate of Jefferson Union High school.

SERVICE GROUPS NEED VOLUTEERS

The Volunteer bureau of San Mateo county is holding its recruitment drive this month. Over 500 volunteers are needed to fill requests from 31 agencies. Since it opened a little over a year ago, the bureau has placed 687 volunteers with 31 different agencies. These volunteers have given over 6000 hours enabling the agencies to broaden and improve their programs.

Some of the requests are for publicity writers, drivers for two organizations, arts and crafts teachers, clerical workers, a club advisor and a scout master, medical secretary and men and women with some biology or knowledge of natural sciences for the junior museum, and men to design cabinets and show cases for the museum.

Also there is a need for men and women to staff the Travelers Aid booth at the International Airport. There are always requests for people with no special training, who can do work that does not require any special skill.

The Bureau is under the direction of Miss Margaret Ruettell. It is a United Crusade agency; a department of the community council and a project of the assistance league. Mrs. Gaynor Langsdorf is the chairman of the advisory committee.

During the year Mrs. Fentress Hill II, a member of the advisory committee set up the "Come and See Tours" which took members of the community on tours of agencies to show them the health, welfare and recreation programs in San Mateo county.

When the volunteer bureau was asked by the department of Health and Welfare to organize, staff and run the community Christmas bureau, Mrs. Robert E. Brenneck of Hillsborough volunteered to be the supervisor. She was assisted by Mrs. F. E. Landecker, Mrs. John Gilpin, Mrs. Charles Harford, Mrs. Elizabeth Lawson, all of San Mateo, and Miss Bernice Arasim of Menlo Park and Mrs. Lloyd Osborn of Woodside.

The bureau is conducting a drive not only for money but for time and skills.

The bureau has on file many requests from Boy Scouts, "Ys," Burlingame recreation and the recreation agencies for men to act as youth counsellors and advisors.

Men are needed to sponsor teams. They are needed as umpires and managers. The shortage means that the teaching must be divided between so many boys that the program is not as effective as desired.

Men with one or more evenings free a week to give to boys are asked to register with the volunteer bureau of San Mateo county at 1229 Burlingame avenue, Burlingame, DI. 2-0418. Miss Margaret Ruettell is director of the volunteer bureau.

LIBRARY GROUP SEEKS MEETING ON W'LAKE SITE

Daly City's library commission, in a letter to the city council, has called for a special joint meeting to determine exactly what steps have been taken to secure a library site in Westlake.

Reading of City Administrator Dan Andersen's meeting last week with a Doelger representative to discuss a possible site, Commission Chairman Wayne Carr said he was "in the dark" about the whole thing.

"This makes the commission very happy, however," Carr said, adding that, "We didn't expect such immediate action." Carr pointed out that a Westlake branch was part of the commission's long-range program revealed to the council several months ago.

"I told Andersen last year that we would like to acquire a Westlake site but this came a little faster than we figured," Carr continued.

Andersen said at Monday night's council meeting that he and Kendree were still working on a possible Westlake library site, but had come to no definite conclusion.

Councilmen agreed to establish next Monday night as time for a session with the library commission.

Jeffs Win Pair Over South City

Jefferson High school varsity basketball club split in the past week's outings to gain in a 3-3 record while the lightweights got past both their opponents to emerge in a tie for second in Peninsula Athletic league standings.

Tuesday's action found the Daly City clubs scoring a twin killing over traditional rivals South San Francisco.

The Indian varsity, paced by Al Lagomarsino's 18 points, topped the Warriors, 53-48. Compiling a 32-24 half-time margin, the Jeffs played even ball with the South City five in the second half to cop the decision. A 15-point second quarter provided the necessary spurt for the win.

The Warriors stayed in the game in the initial canto by hitting eight out of ten free throws, to trail only 18-17 at the close of the first period.

Hold Prince 8 Quarters

Dean Prince, the Warrior's top floorman and the league's leading scorer, was held to six points in the first three quarters by the sharp defensive play of Babe Anguillo. In the fourth quarter Anguillo fouled out and Prince let loose with a 16-point barrage, winding up with 22 markers, high for the evening.

Anguillo aided the Jeff cause with 14-points, followed by Center Wesley Yates, who capitalized on on tip-ins to get 11 tallies.

The win gave the Indians a 3-3 record and left them with a mathematical chance at the league title.

30s Get Fourth

Jeffs lightweight made it four wins against two losses as they walloped the little Warriors, 44-32.

Remarkable Rich Gonzales, shooting only occasionally but hitting a phenomenal percentage, led the Daly City team with 18 points.

In the first half Gonzales tried our field goals, made good on three. He duplicated this feat in the second half for a 75 per cent average for the game. On the free throw line he was equally as proficient, getting six one-pointers in eight tries.

Larry Pottenger was runner-up for Jeff scoring, getting 11 markers.

Friday against San Mateo the local 30s thrashed the Bearcats, 53-36, behind Bill Curtis' 16-point effort.

The Indians built up a 25-10 half time lead and continued to increase it in the last two periods. Pottenger mashed 12 for the evening to rank second in Jeff scoring.

Tie For Second

The Daly City lightweights are now tied for second with San Mateo.

Jeff's varsity, giving away a 39-24 half-time deficit, battled back desperately in the second half but were outraced by San Mateo, 60-56.

Coach Mike Orlich used the second string in the first half and the Mateans turned Orlich's strategy against him to the tune of 17 points in the first quarter, 22 in the second.

With the regulars back in the line-up, Jeff let go with a 22-point attack in the third quarter, but eased off in the final canto with a 10-point total.

Anguillo led Indian scoring with Tonight (Friday) the two local 16 points, followed by Yates and Lagomarsino, 12 each.

clubs get what amounts to a "breather," facing a pair of weak Half Moon Bay teams. Game time is 7:30 p.m. at the Coastside gym.

WESTLAKE STUNS SHARP PARK, 24-20; UNDEFEATED COLMA SMOTHERS OLPH

Playing before the largest community center crowd of the season, the Westlake Globetrotters completely disregarded pre-season prognostications by defeating favored Sharp Park, 24 to 20, in a Daly City Recreation Basketball league contest Saturday.

Sharp Park started fast with John Twitty hitting for a 25-footer and later following up with a free throw while his teamate Dave Simmons made good on two free throws to push the score to 5-1 at the quarter mark.

The Globetrotters settled down in the second quarter and collected seven points to their opponents two to lead at half time, 18 to 10.

Coming out at half time, the Westlakers continued the fast tempo by collecting four field goals and a free throw for nine points while once again holding Sharp Park to a free throw and field goal.

This third quarter proved the Westlakers' best, both offensively and defensively.

From here the game's tempo accellerated as Ross Holmgren fouled out and Sharp Park began to press effectively. Ross had collected nine points and displayed nice floormanship to contribute decisively to Westlake's lead. With three minutes remaining in the game, Twitty twice stole the ball from Steve Opperman and drove in for two lay ups, following an exchange of shots, Sharp Park once again gained control of the ball and Shook hit from twenty feet out to run the score to 18 to 16 in favor of Westlake. Taking the ball out with a minute left to play Steve Opperman hit from fifteen feet and Pete Garcia went high with an artistic hook-shot to push the score to 22 to 16.

Sharp Park, however came back with two more field goals to again close the gap. Ernie Howren then took a Pete Garcia pass with twelve seconds remaining and scored from twenty feet to give Westlake their third consecutive win in league play.

Rebels Drill OLPH

Tuning up for what should be the most interesting game of the season, the Colma Rebels decisively drilled OLPH, 52 to 9. While OLPH was averaging a field goal per quarter, Colma was pushing through 12 to 14 two-pointers in the same period of time. Larry Schoenfeldt was complete master under both backboards while leading his mates in scoring with 12 points. Ron Kalinin followed with 10, while Don Burly had 8, Howie McKee 7, and Al Mayer 4. Colma now leads the "A" league with five straight wins and appears to be a shoo-in for the title. The only thing that stands between them and the title is the vastly improved Westlake club which they play next Saturday morning at 11:30 o'clock.

In the "B" league, the Holy Angel five were victims of their own medicine when they lost to OLPH by a score of 23 to 22. In their last three games, Holy Angels has won by the one-point margin. High scoring honors went to Bill Whalen with 12.

Trailing 16 to 20 going into the fourth quarter, Bill Whalen of OLPH connected on two 20 foot shots to tie up the score. Bill Perata came right back with a nice hook shot and Holy Angels was out in front, 22 to 20. However, Whalen was fouled and made the free throw good. With 30 seconds remaining he pushed through a 30 footer for the margin of victory. Perata was high for H.A., with 8, while Tom McHugh, who played great ball off the boards, collected 6.

Double Overtime

In other "B" games, Brisbane and the Broadmoor Royals went to a double overtime before Brisbane finally won out, 29-27. For Brisbane Jim Galton had 9, Al Weber 7, Floyd Scott 6. The leagues leading scorer, Bobby With was held to 5 points. Wayne Moon lead the Royals with 8, while Dixie Howell collected 7 and Bill Dougherty, 6. The Royals had to come from a 10-2 deficit in the first quarter to gain a 21-21 tie at conclusion of the game.

From here both clubs fought to a 25 tie to force a double overtime. In the final and deciding overtime, Howell hit for a field goal only to have Galton and Weber connect on free throws, while Weber followed through with a set shot to give Brisbane the win and frustrate Broadmoor's chances for their initial victory.

While both clubs were matching point for point, the Broadmoor Cards finally beat a determined Sharp Park five, 19-17. High scoring honors for the Cards went to Dick Greenwood with 8, while Bill Gasker from Sharp Park collected nine points.

Wildcats Maintain Leadership In Broadmoor League

Wildcats held on to their lead in the Broadmoor Youth Association Basketball league last Thursday at Jeff High tripping up an underrated Hawk team by a two-point margin, 22-20.

The game was tied, 10-10, at half-time and neither team could boast a substantial lead throughout the last two stanzas.

Webb Parker paced the Wildcat attack with seven markers. 'Cat scoring was well distributed, Dick Greenwood getting six, J. B. Berry, five, and Dixie Howell, four.

The Hawks' George Muller and Jim Heick tied for scoring honors with eight apiece, followed by Gene Bodegaray and Terry Christman, each with a pair of tallies.

The Wildcats beat their opponents from the charity circle, making good on four free throws while the Hawks were unable to hit on a single try.

The Wildcats continue to hold undisputed first place in the circuit with three wins against no defeats.

In a lop-sided affair, Wayne Moon poured through 22 points for the Bobcats to outscore a winless Demon team single-handed. Final score favored the Bobcats, 50-21.

Nate Howards backed up Moon's efforts with a 12 point output, followed by Ron Berry and Mike Kearney, six apiece, and Bob Goodwin, four.

Bill Dougherty sparked Demon scoring with nine, followed by Jerry Hyndman, six. Dave Clark, Terry Tracy and Jack Berlin each notched two points.

The rout started early, as Bobcats held a 24-7 half-time advantage.

Moon's 11-field goal spree placed him in the leadership for individual scoring with 42 points.

BROADMOOR GROUP PLANS SECOND NOVICE RING MATCH

TWO ENGLISH BIKES STOLEN IN SAME DAY

Somebody had a yen for English racing bikes. Dunbar Averell, 147 Fieldcrest drive, Westlake, reported the theft of a black English bike Monday night. A few hours previous, Felix Valdez Jr., 345 Westlake avenue, told police that his green English bike had been stolen.

"THE LION" SIGNED ON MAT CARD

Nomellini Will Appear At Daly City Center

Promoter Kevin Epidendio has announced success in obtaining services of Leo "The Lion" Nomellini for the feature wrestling bout to be held at the War Memorial community center in Daly City Monday, Feb. 14, for a benefit show sponsored by the Holy Name Society of Holy Angels church. An opponent will be named within a few days.

"His appearance here is a reminder to all athletes that if they work hard enough in any game they will do all right for themselves financially. Nomellini is one of those 'rags to riches' stories everyone interested in sports loves to see and read about. It is said his earnings as a grappler and football player average $50,00 a year, Epidendio said.

Leo Nomellini
... Tops Local Card

During conversation with Nomellini at time of signing for the local match, Epidendio said "The Lion" appeared happy to be back in wrestling although football is still his "first love."

"I'm anxious for one thing in wrestling," Leo said emphatically. "That is another shot at Lou Thesz for the world championship."

Pointing out that he now has one year and a half of wrestling under his belt since his last unsuccessful meet with Thesz, "The Lion" said, "I feel I have the added experience to really beat him next time."

Obviously, this wasn't a guarded hint that the giant matman was going to meet Thesz in Daly City February 14, but it does indicate Leo's eagerness to improve himself in the ring, Epidendio said.

DOUBLE MAIN EVENT IS SCHEDULED FOR THURSDAY'S OLPH FIGHT CARD

Fans will be treated to a double main event next Thursday at the Daly City community center when the OLPH men's club presents their regular monthly boxing program.

Undefeated Luis Molina will pair off with Al Conley in the first half of the feature while Bob McIvor, rugged heavy from Stanford, will meet a good opponent in Al Fletcher of San Francisco.

McIvor, appearing in Daly City January 13 in the main go, handed Syd Knight his first defeat after registering eight straight KOs.

Little is known of Fletcher, although promoters say he comes highly recommended.

Molina Well Known

Molina, of course, has already established a fistic reputation in Daly City, pushing off two crafty lightweights in two appearances at the Daly City arena.

Conley is also making a return engagement, having dispensed of Tony Ross in three rounds here in November.

Chencho Chavez, brother of lightweight contender Eddie, will face Henry Zamacona in a 140-pound prelim. Chavez was a winner in his ring debut here last month, registering a knockout.

Zamacona, a relative unknown and will be put to the test against Eddie's brother.

Egyptian On Card

The bouts will be given a cosmopolitan flavor in the 130-pound division, with Mike Mitchell, full-blooded Egyptian with an Irish name, doing battle with Charley Slaughter. Both are ring newcomers.

In the 124-pound class, Bobby Ortiz of Mountain View trades leather with Satch Hernandez of Santa Clara Youth Center. Both are said to have good records.

George Angeles, making a "comeback" in the amateur game, will meet Manuel Gonzales in a 118-pound scrap. Angeles, 1953 bantamweight Golden Glove champ, took a pasting here January 13 after a long lay-off. Promoters say Angeles has been training hard and should be sharper.

Bill Moon, winner in his last two local outings, will meet a Daly City youngster Charles McDougall, in a 150-pound battle. It will be McDougal first Daly City fight.

Tickets for next Thursday's fights are now on sale and may be obtained from members of the Men's club. Further information may be obtained by calling Bob Lynch, PL. 5-57, or Bud Lycett, JU. 7-9923.

Kappa Nu Luncheon

The Kappa Nu Mothers' club will hold the annual luncheon card party on Tuesday at 12 noon at the Lakeshore Plaza auditorium.

Mayor Questions "Promotional" Events At Rec. Bldg.

Daly City Mayor Joseph Verducci declared Monday night that the community center on Mission street is being used for too many "promotion activities" and recommended that councilmen meet with the recreation commission to curb such activities.

Commenting on the boxing bouts and the more recent scheduling of wrestling matches at the center, Verducci said, "I would like to discuss this policy with the recreation commission."

According to City Administrator Dan Andersen, Recreation Director James Mason went along with the wrestling because he had already approved boxing programs at the center.

Verducci said, "All these things are taking recreation time away from the youngsters. I'm not in favor of it."

Daly City Chamber Asks Golf Tourney

William Sweeney Jr., chairman of the Daly City Chamber of Commerce golf committee, has proposed that the Chamber sponsor a golf tournament sometime in May.

The event will be a member-guest affair with all expenses to be absorbed by participants. A fee of $10 will be charged for each one participating. This price will include green fees, lunch and dinner in the evening. In order to use the Lake Merced club facilities, it will be necessary to have at least 60 dinner reservations, Sweeney said.

PLAYGROUND NEWS

By Joe Brown, Director

The Westlake Jr. 49'ers "B" team lost a very close football game to the well-organized Marchbank Stars at Westlake by a 25-19 score. Westlake played a far better first half but due to lack of experience and a little over-confidence, Marchbank fought back to win. Stars for Marchbank were Andy Scalese, Butch Miller and Steve Anderson. Lewkowitz, Silberstein and Hamilton also were outstanding. Boys who played well for Westlake were: Capt. Joe Tieter, Co-Capt. John Rice, John Moore, Dick Reese, Dick Mylin, Steve Alpine, John Farber, Dave Bosberry and Barry Bienner.

The Westlake Swampers "C" club out-fought and came up with a victory over the hard-fighting Lincoln Indians from Daly City. Led by Capt. Skipper Smith and Danny and Barney Colangelo the Swampers ran wild in the second half with Lincoln 14 points ahead at half-time. Both Colangelos tied the game up with a touchdown apiece and in the last two minutes of play Skipper Smith ran 80 yards for the winning tally with good blocking from all his teammates. Stars for the Lincoln Indians were Capt. Alfred Digby who scored two touchdowns on great runs combined with good blocking by "Pancho" and "Steve."

The "A" Team was again defeated by Paul Tapia's Marchbank Giants in a hard-fought contest. The score was 21-14.
